Dear Sir:-

We should very much like to have a copy of the Condon Medal which I understand has been designed by you. Mr. Weil, of the Medallie Art Company, informs me that he will gladly strike a copy for our Society if you will kindly give permission to have this done. If you feel that it is necessary to take this up with those for whom you have designed the medal, will you kindly do so and advise me of their decision. I feel sure we may count upon your good offices.

Very sincerely yours,

Secretary.
